Enclosed is your current year Schedule K-1 (Form 1065) for the above-referenced account. The amounts shown are your distributive share of the partnership's income, deductions and credits incurred during the year and are to be reported on your income tax return. The amounts may differ from the distributions you actually received during the year. The difference may be due to a number of factors including the allocation of fees or other deductions, exclusion of tax-exempt income, or a variance between your taxable year and that of the partnership.

If applicable, state tax information has been attached to the K-1. Since income tax requirements vary from state to state, the presentation of the state tax information will be different for each state. The information provided is based on your state of residence from our records. If information for your state of residence is not listed, please contact us at the number below.
